

NEW BARS & RESTAURANTS 2

Daniela Santos Quartino

Open Kitchen Bar & Restaurant

This establishment is the training restaurant of the London City Hospitality Center in cooperation with the Hackney Community College, among other entities, and although open to the public, it is located on the college campus, in Shoreditch.

The homey, informal, and airy atmosphere is combined with handcrafted elements, stunning graphics, and clean finishes. The furniture, light fixtures, and art pieces were bought from local manufacturers.

The activity in the restaurant and kitchen can be watched through large windows. The back entrances now lead to the terrace. The main entrance is a green wall decked with potted plants, glass handrails, and a protective roof. Inside, the prevailing palette of vibrant colors highlights the furniture and lighting.
